from **A Camellia Calendar of Love** Adapted from John Edwards' camellia calendar by Gordon Eade.

October – Complete disbudding of plants, and continue to pot air layer plants. Mulch for winter months. Continue 'gibbing' program.

November – Water if too dry. Plant new varieties. Transplant or repot plants. Continue 'gibbing' program.

December – Water if too dry, especially before a freeze. Continue planting program. Continue 'gibbing' program. *pickup and destroy fallen blooms. Compete in, and visit, Camellia Show.

Attention given to your plants expresses your love for them –

Pensacola Camellia Club (PCC) Statement of Purpose

1. To foster and maintain an interest in camellias and their culture
 2. To promote the study of camellias
 3. To provide an opportunity for their exhibition and appreciation
 4. To aid and assist in the standardization of camellia nomenclature
 5. To provide an opportunity for camaraderie among those sharing a common interest in camellias.

PENSACOLA CAMELLIA CLUB FOUNDATION –

The Pensacola Camellia Club Foundation provided financial support for the activities of the Pensacola Camellia Club. In years past, our club members had to solicit funds for the Show from local businesses and financial supporters. That was difficult, time consuming, and distasteful to most of our members. Now, thanks in large part to the Foundation's financial support, we no longer have to worry about financing our annual show and can devote our full attention to the show itself. Our Club greatly benefits from having our Foundation.

The Foundation always needs and welcomes your donations and memorial gifts. It is both exempt from federal income taxation, as a 501(c) (3) organization, and qualified to receive charitable contributions and bequests which are tax deductible for federal income, estate, and gift tax purposes.

FOR MORE INFORMATION CONTACT ONE OF THE FOUNDATION BOARD MEMBERS.
