

SHOW RULES

1. This show is held in cooperation with the American Camellia Society (ACS). The ACS Show Rules and Regulations (eff. July 1, 2017) will apply, except as otherwise set out herein. The decision of the judges will be final.

2. Entries will be received Saturday, December 10, 2022, from **7 am to 10 am** with judging to follow at 10:30 am. The show will open to the public at 1 pm. Exhibitors will not place their own blooms. The show is open to any camellia grower.

3. Nomenclature authority: Chapter II, Section 3, ACS Show Rules and Regulations. Cultivars with multiple names will be entered under the preferred name in the current *Camellia Nomenclature*, published by the Southern California Camellia Society, it's supplement or as listed on the ACS website. When a camellia variety is listed in two sizes (e.g., "small to medium") it will be judged in the smaller size category unless specifically marked for the larger size. *The only exception will be blooms registered as "miniature to small" which will be judged as small. Only blooms registered as "miniature" shall be judged as miniature. Unprotected blooms are those grown without man made protection such as a greenhouse or shade cloth.*

4. ACS entry cards for classifying blooms will be available at the show and should be consistent with nomenclature authority as listed in Rule 3.

8. All blooms entered must be grown by the exhibitor, and the plant must be in the exhibitor's possession at least thirty days prior to the show. All blooms become the property of the Pensacola Camellia Club and will be disposed of by the show committee.

9. Each container/cup must have only one bloom and must show either one or two leaves, except for sprays which will be entered in accordance with Rule 11. For seedling and sport entries, two blooms may be entered under one card in order to assist judges in evaluating the bloom.
