

Here is our list of **Camellias for Sale** for you to review. Here are photos of what we had in inventory and suggest that you get your name on the waiting list for next year's crop. All of the Pensacola Varieties are labeled that were registered by PCC members over the years with the American Camellia Society, if you would like a local camellia. All purchases and orders for specific camellias can be placed with Trumin Brown at trumin.brown@att.net or by calling 850-375-4541.
